

We did it & every bit made a difference!!

VERY SPECIAL THANKS to all who helped support & spread the word about W/NP's entry into the American Open Challenge

W/NP has completed the competition and has secured a permanent spot on the Global Giving website by receiving \$4,534 from 115 donors in 3 weeks for the youth initiative....

First Steps to Cultural Understanding for US Teens

This project introduces the practice of utilizing teens from developing nations in a reverse cross culture training experience to enhance cultural understanding in US teens.

Your continued support is greatly appreciated! What sets W/NP volunteers apart is their willingness to come together and make things happen.

It's true, change **can** occur at the speed of thought, and W/NP provides an avenue for like-minded people to move their thoughts to action, producing amazing results & enriching the lives of many.

Again, a very special thanks from all of us at W/NP!!

Amy
