

## Sherin Rose Bowen

2-28-1938      3-20-2009

---

**We are sad to announce the passing of Sherin Bowen on Friday, March 20. Sherin was the heart, the soul, the breath of W/NP. We are heartbroken by this loss, and at the same time we know she would want us to continue on with the vision she had worked so hard to cultivate in all of us.**

**Her grandson Isaac and son Bobby have put together a special (English/Spanish) website you can visit for information. Please click on the link below for details regarding the accident that led to the loss of Sherin's life. You also may post comments and share photos in tribute to Sherin, as well as a source to find the pending memorial service arrangements, tentatively set for March 27 and 28.**

It's difficult to articulate the great loss we feel at this time, and I would like to express my appreciation for the prayers across the world that were said for my mother. She touched so many lives and the outpouring of support, concern and love for her situation only signifies her remarkable impact.

Mil Gracias (as she would say),

Amy

*Her consultations will be greatly missed*
