Semi-Annual Fund Drive

Thanks to all of you who have contributed to the SA Fund Drive this year! As we wrap up the Fund Drive in July, we've had an unexpected, much needed bonus that has the potential to double...

I have just been made aware that we have an anonymous donor willing to match up to \$2,000 for any additional donations made to the Semi-Annual Fund Drive.

Please dig deep....

Keith Roeske
W/NP Treasurer

Note: W/NP has two office locations, one in Wisconsin and one in Nicaragua. The two Fund Drives throughout the year are vital to keeping the lights on and the offices going - *thank you!*

Sherin's Memorial Fund

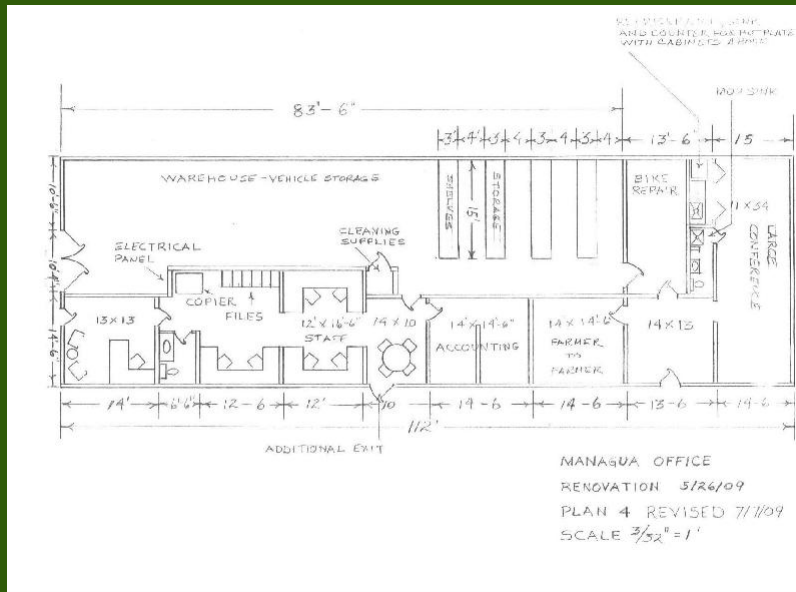

She may be physically gone, but not forgotten

The donations that were sent to W/NP in Memory of Sherin have been set aside for the remodeling of the Managua Office and are completely separate from any projects or operating expenses. For the past several years, and at the time of her death, Sherin was exploring options for expanding and/or remodeling the Managua Office for improved efficiency and use. We are working together to see her ideas to completion.

Thanks to a small group of dedicated volunteers and our Managua office staff, a remodeling plan has been drawn up and we hope to begin yet this fall - if you are interested in helping out let us know.

Be sure to click below & check out the Photo of the Week to see what's happening in the W/NP Wisconsin offices. No remodeling here, but a little rearranging has made some significant changes.
