

# WISCONSIN / NICARAGUA PARTNERS *of the* AMERICAS

## We want to put you on our 2009 Bike/Hike Map!

### The Bike/Hike kicks off in 5 days!

Join us the month of October as we walk and bike the distance between WI and Nicaragua, 2,350 miles! Through a collaborative effort of all of us signing up and tracking our miles we may even be able to make it a round trip!

### We want to put you on the map!

We have a new map that shows we really aren't that far apart! Be the next person to show up on the map!

When you register we will add your location to the map, as you Bike/Hike, if you email us weekly telling us your mileage we can track how far we are on the map as well.

Together we can make a difference!

### For every pledge you raise we will enter your name in a drawing to win a FREE BICYCLE!

Kylie of Appleton, our 2008 winner. The next pictured winner could be you!

### Fundraising from the Bike/Hike supports our projects and keeps the offices running smoothly.

To participate in this fundraiser just go online, [W/NP Bike/Hike](#) on the right side it says "Bike/Hike registration" You can register there as well as pay the \$10 registration fee. When we receive that information we will send you a T-shirt and a wrist band. You can download a calendar to track your miles and a pledge form to collect pledges, or we can mail you a pledge

form envelope to keep all your donations safe.

2009 T-shirts are Sapphire Blue with White writing, register online or stop by the W/NP office to get yours today! We have found the T-shirts to be a great conversation piece!

**2,350 miles apart, yet  
doing things together at  
the same time.**

## Wisconsin Bikers

**2,350 miles doesn't have to come between us!**

Thank you for being a part of it all! The Bike/Hike is a great way for us to get out into our communities together and realize how united we really are. 2,350 miles does not have to come between us!

Sincerely,
